2019-2020 Enrollment

Dear Prospective Parents,

Thank you for your interest in Christ Episcopal School. It is a private Episcopal school dedicated to exceptional educational opportunities in a safe environment in the context of Christian faith and values. The school was established in 1948, and today it continues to thrive. Christ Episcopal is devoted to enhancing the educational experience of every member of our diverse student body. We are a viable alternative for parents who prefer an enriched curriculum. We provide a traditional academic program that is enriched with programs in art, music, technology, Spanish, the library, and physical education. Traditional classroom presentations are balanced with technology generated presentations and hands-on activities that reinforce concepts studied in the various subject areas. We are accredited by the Southwestern Association of Episcopal Schools in conjunction with the Texas Education Agency. We offer classes beginning at the pre-school level (age 3) through grade 6.

I invite you to review the enclosed information and then come tour our campus. I believe you will be impressed and intrigued by the benefits we have to offer. If you have further questions, or would like additional information, please contact me at (936) 564-0621. Again, thank you for your interest in Christ Episcopal School. I look forward to visiting with you.

Sincerely,

Catherine Fenci Oliver, M. Ed.
Head of School
