Thank you, CES - PA!

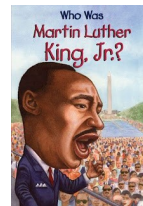

Thank you to our **CES-PA** for the purchase of our brand new playscapes for the Pre-K and big playgrounds! The younger children are thrilled to have new places to play and explore. Outdoor time is important for all and these structures give the children more opportunities to be playful and creative. These were purchased with the proceeds from the **Raise Craze** fundraiser.

WE are SAINTS!

All CES students were taught or reminded of the meaning behind our school shield. The cross symbolizes Christianity, the book symbolizes faith, the torch symbolizes service, and the oil lamp symbolizes knowledge. They then designed their own shields to be displayed during Open House. A Saint is a person recognized for having an exceptional degree of holiness, virtue, or closeness to God. Go, CES Saints!

Who

Was/Is... ? Mrs. Hanes' 4th graders chose a book to read from the "Who Was/Is..." series. After reading their biography, they then wrote a detailed book report, and creatively transformed a pop bottle into a "Bottle Buddy" to represent their historical figure. Here is a list of who they read, learned, and reported about: J.K. Rowling, Dale Earnhart, Jr., Daniel Boone, Roald Dahl, Roberto Clemente, & Amelia Earhart.

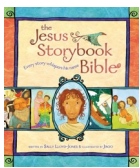

PRIORITY REGISTRATION

CES will hold its **priority registration** for **CES families** and **Christ Church families** during the week of **February 17th - 20th**. Open registration will begin the following week on Monday, February 23rd. Please spread the word of our amazing school! We would love to have a number of new students to fill our classes next year!

Mission Statement

Christ Episcopal School is a diverse community of learners who participate in an enriched academic program in a nurturing Christian environment which fosters a dedication to service to others and a love of lifetime learning.

1st Graders' Favorite Bible Stories

Mrs. Jones' 1st graders depicted their favorite Bible stories by designing shadow boxes. Every morning they are read a Bible story by their teacher and they discuss its meaning. This class gets into deep discussions and therefore, their teacher thought it would be a great idea to have them work on ways of displaying their favorite story. The 1st graders were able to share their displays with other grades and explain what they put in their boxes and what they represented. Impressive work!
